Dear Parents

We have a child in the school with a nut and sesame seed allergy. This child has the potential to have a severe life threatening reaction to these foods.

Could I please ask you to be vigilant about not allowing nuts or sesame seeds and products into school, particularly in packed lunches. Products which carry a nut or sesame warning due to possible contamination are acceptable, as long as they do not have nuts/sesame seeds as an ingredient. We realise that it is easy to forget and we appreciate your assistance with this matter. Should you require any further details, please speak to Mrs Rachel Smith in the school office, or to myself.

Thank you,

Yours sincerely

Mr Jonathan Rowsell  
Headteacher
