

Key questions:

Who were the Ancient Greeks?
Where do they come within history?
How did Britain become influenced by the Greeks?
How did Greeks help develop our understanding of the world?
How has that influence had an impact on life today?

Key vocabulary:

Greek Empire	democracy	chronology
Pythagoras	nobleman	city-states
Doric column	Parthenon	myths
tunic	civilisation	Hellenistic
soldier	Olympics	chronologically
impact	significance	influence

Science Vocabulary:

offspring	inheritance	variation
characteristics	adaptation	habitat
environment	evolution	natural
selection	fossils	
adaptive traits	inherited traits	

How have the Ancient Greeks impacted our lives today?

Learning events:

- Hands on History Workshop
- Greek Feast

Cross-curricular links:

Science: recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents, identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution, recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago

English: Letters, Comparison of the Olympics, Greek Myths.

History: Explore the development of the Greek Empire and the impact it has had on life today in Modern Britain.

Art: Ancient Greece inspired tiles.

DT: Greek Cooking

Computing: 3D modelling and Microbits.
