

“Rooted and Established in Love” Our Home-School Agreement

As set out in the school’s aims, Christian values are at the heart of all that we do. At The Bluebell Federation we believe that successful partnership between the school, the parents, the pupils, the community and the church helps each pupil to take full advantage of all that the school has to offer.

We believe that all members of the school community need to work together to realise our School’s aims and to respect its core values. The following agreement supports this partnership in the interests of our children. Please read, discuss and sign both copies of this agreement with your child before returning one copy to school and keeping one copy for your reference. Thank you.

The Bluebell Federation will aim to:

- Provide a secure, happy and friendly environment for every child;
- Provide a balanced curriculum and aim to achieve high standards;
- Encourage each child to work to his/her full potential;
- Provide an inclusive environment where additional needs are supported to the best of our ability and resources
- Expect high standards of behaviour and promote respect for all, as stated in our Behaviour Policy. Expect each child to take care of the school buildings and grounds; Notify parents of any concerns relating to their child’s conduct.
- Inform parents about their child’s progress at regular Parents’ Consultations;
- Keep parents up to date about the curriculum;
- Provide good pastoral care and value each child as a unique individual;
- Facilitate regular communication between home and school through newsletters; Value the contributions that parents make to their child’s education.
- Respond to parent communication promptly and seek to create an environment of trust, honesty and respect with families.

As Parents/Carers, I/we will aim to:

- Ensure that my child attends school regularly, on time and with everything s/he needs and not leave him/her unsupervised before the school gate is opened; Inform the school immediately of any absence. Refrain from arranging holiday in term-time.
- Provide the correct school uniform and PE kit;
- Ensure that our child is collected by an adult known to him/her and the school;
- Make sure that our child attends regularly and inform the school for each day that our child is absent;
- Support and adhere to the school’s policies;
- Support and attend Parents’ Consultations to discuss our child’s progress and achievement;
- Support home assignments set by the school;
- Support my child in reading, to help foster a love of reading, discuss the text they read and help them choose appropriate texts
- Support the Christian ethos and values of the school;
- Let the school know of any concerns or problems that might affect my child’s learning, behaviour or wellbeing.
- Make sure communication with the school is respectful, and that I make every reasonable effort to address my communications to the appropriate member of staff

Understand that I should communicate with staff during core school hours, and although they may at times respond outside of those hours, I can't always expect that

Treat all members of the school community with care and respect

Ensure the school is notified of any change in emergency contact numbers.

Support the school in the teaching of safe and secure internet use at school and home

Engage in parent meetings and work together with the school in order to achieve the best outcomes for my child

Communicate with school staff in a respectful and polite tone and be open to listening to the schools viewpoint on any concerns you may have.

I will not create, transmit, display, publish or forward any material that is likely to harass, cause offence, inconvenience or needless anxiety to any other person, or anything which could bring the school, or the County Council into disrepute.
