Dear Parents and Carers,

During this year's Walk to School Week, Wivelsfield Primary School supported by Wivelsfield Parish Council and Community Speedwatch, would like to deliver a strong school message to promote safer driving with a series of fun events reaching across our whole village community!

Within the school, we are running a poster competition for all pupils, selected entries will be displayed throughout the village with the winning entries enlarged and displayed at the school gates permanently. A poster is attached with more information, pupils can start on this right away so get designing!

Within the wider community, we are inviting everyone to take part in the inaugural Wivelsfield Speedy Scarecrow Festival! Entrants will place their scarecrows throughout the village which we hope will make drivers think carefully about their driving through our community. There will be a fun day where we can come together in our new Village Hall to swap ideas, materials and build our scarecrows ahead of the event. During the week, there will be a Scarecrow Hunt with prizes for those who spot the most scarecrows AND a prize for **Best Scarecrow 2022** sponsored by The Cock Inn.

**More details will follow, it's important that guidelines from East Sussex Highways are followed to ensure we aren't causing a hazard, so bear with us and a more detailed announcement will come inviting you to take part, as well as a leaflet drop to the wider community.**

**If you have any questions please talk to Louise Blake (parent of Cienna and Henry)**

Thank you
