6th May 2022

To: Parents/Carers of Year 5 pupils

Dear Parents and Carers

Year 5 Curriculum Morning at Chailey School

As you are aware, we are running our Year 5 Curriculum mornings at Chailey School on the following dates.

24th June 2022:

- Newick Primary
- Wivelsfield Primary
- Danehill Primary
- Barcombe Primary

The other feeder schools (listed below), we would ask attend on an alternative date of 21st June 2022:

- Forest Row Primary
- Ditchling Primary
- Fletching Primary
- Chailey St. Peters
- Plumpton Primary
- Hamsey Primary

The programme for both days starts at 8.50am, but will now end at 11.15am, to allow for extra time for lessons, at which time the children should be collected. These timings allow for the busy coach park to be avoided for you bringing/collecting your child. You are asked to use the main school entrance on arrival and your children will then be guided into the main hall for us to organise them for the activities. Lesson activities are currently being planned and all children will experience two lessons in a wide range of subjects.

To reiterate our previous letter to you; we would ask that you send your child with a bottle of water in a plastic container and a small snack for break time. We encourage our students to drink sufficient water during the day as necessary in order to keep them hydrated.

Medical Conditions: It is very important that we are aware of any medical conditions/serious allergies that your son/daughter may have. For this reason, please complete and return the slip attached to this letter to your child's primary school so that we can be informed.

Photo Consent: We will be taking photos of the children participating in the various activities to publish on the 'blog' on our website. Please can you indicate on the slip attached whether or not you give consent for your son/daughter to be photographed.

We are very much looking forward to meeting all the children for a morning of fun and excitement and apologise once again for the changes.

Yours sincerely,

Helen Key
