Dear Parents/Carers,

Although a little later than planned, we are excited that Friday 7th May is national Number Day in support of the NSPCC.

The children are invited to attend school dressed in a number themed costume and will take part in lots of number based activities throughout the day.

In addition to this, children will be able to fundraise for the NSPCC who provide an invaluable service for young people. Each class will have time to complete an obstacle course and we are asking children to be sponsored per lap completed.

Attached is a sponsor form and we would ask that all sponsor money is brought in by Wednesday 12th of May.

Thank you for your continued support.

Kind Regards

Miss Glassock
