My Journey So Far...

What makes a journey?

Learning events:

- 'My Journey' day- Looking at how we have changed from birth until now- Children will need various pictures from throughout their lives.

- Village walk to map our local area.

Cross-curricular links:

Maths: Place value, addition and subtraction.

Science: Animals including humans: Nutrition, Hygiene and Lifecycles. Discovering the basic needs of all living things including Humans.

Geography: Local area mapping. Where do we come from?

English: Journey- by Aaron Becker- Writing our own ending to the story. What happens past the door?

History: What has happened in our lives so far? Significant events that have shaped us- e.g. moving house, moving to new year groups. Losing first tooth, learning to walk/ talk.
